

MY CORE VALUES MANIFESTO

I walk in truth and integrity, never shrinking to
fit into spaces not meant for me.

I live with faith and spiritual purpose, trusting
God's guidance and listening for His whispers.

I honor my body as a vessel of wisdom and strength,
resilient and whole, and thrade.

I express my freedom and independence, choosing
paths that align with my spirit and respect.

Every decision, word, and step must reflect these roots.

When I drift, I return.
When I forget, I remember.
When I falter, I rise again.

This is my compass.
This is my truth.
This is how I walk in radiance.
